

# ARTIST ENDORSEMENT APPLICATION

## CHECK ONE:

SILVER ARTIST

GOLD ARTIST

Freestate Custom Guitars was created in early 2014 in Annapolis, Maryland. The thought behind the company was to provide artists a way to be a part of a guitar company that would cater to their specific needs, and provide high quality products. After a couple prototypes were developed, we realized that we had a great concept, and decided to bring it to the masses.

We want to provide guitars/accessories for passionate guitarists who want to represent our brand, and what we do as a company. We are seeking professional guitarists to become a part of the Freestate family. This is an excellent opportunity to become a part of our expanding line of beautiful hand-crafted guitars, cables and accessories!

Please fill out the following application and submit it to [freestateguitars@gmail.com](mailto:freestateguitars@gmail.com). We will review and respond as soon as possible. Regardless of our decision, we thank you for your interest in Freestate Custom Guitars.
